

DO WELL TODAY

“And let us not be weary in well doing: for in due season we shall reap, if we faint not. As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.” Galatians 6:9-10

If we were to leave our job someone else would take over. If we were to stop doing anything we do, someone else would step in and fill the void. We worry about all the “*stuff*” we need to get done. We “*stew*” over things that will not matter to anyone 100 years from now. In fact, most of us will not even be remembered!

Even though this is true, the “*stuff*” we do matters TODAY! While it is true that someone will one day be doing the things we are doing, the talent, vision, and energy WE put into what we are doing matters TODAY! It may be true that no one will remember 100 years from now that we helped someone, but it made a difference to that person TODAY!

We have TODAY! TODAY we can do something well! We should never get tired of doing good things and doing them well!

When we have an opportunity to do a good thing (*which most of us have every day*) we should take advantage of that opportunity and do it. If we do not quit doing the good things we do TODAY, we can rest assured we will be rewarded tomorrow! Remember, tomorrow is only a day away!
